NO:-DCK/PA/2015-16/3073-77

Dated:- 05/02/2016

Subject: - Status regarding digitization of data under NFSA.

Sir,

With regard to the subject cited above it is submitted that the digitization and fidelity check for priority category Rationees has been completed in District Kulgam (Communication No.CAPD/AD/KGM/2015-16/9545-47 dated 05/02/2016 of Assistant Director CA&PD Kulgam). Hence this data may be frozen for further hosting on ePDS server today the 5<sup>th</sup> of February 2016.

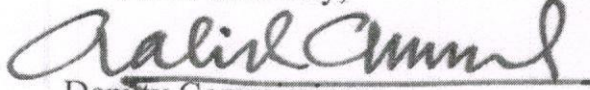

In order to segregate the data after verification and necessary corrections, it is requested that the following changes may be made in the online data in respect of District Kulgam.

1. APL data may be shifted to NPHH category.
2. BPL data may be shifted to PHH (BPL).
3. AAY and Annapurna data may be shifted to PHH (AAY).

The entire process of implementation of NFSA has been put through multiple fidelity checks and every effort has been made to ensure error free data collection, digitization, updation, de-duplication.

However the process of making the data more robust and healthy is a dynamic one and will be carried on concurrently, an important step to ensure high fidelity being the actual distribution of ration tickets to the beneficiaries which shall be done under strict multilevel checks and balances.

Yours faithfully,

  
Deputy Commissioner  
Kulgam
